"Blazing to Success"

Socrum Pioneer Parents,

We hope that this letter finds you all safe and healthy. As we work together in the coming days and weeks to provide a safe learning environment, we will be providing information and updates through various forms of communication. It is essential that parents and students are staying up-to-date with the latest information from the school district and Socrum Elementary. We will be continually providing information through our student email accounts, school messenger emails and call outs to parents, our school website, and our social media accounts with Facebook and DOJO. If you have not set up your DOJO account, please contact your child's teacher for instructions. We greatly appreciate your constant support by checking these sources of information for accurate updates and making sure your child's teacher can contact you.

The fourth quarter of our 2019-2020 school year will start off very differently, as we venture into a new way of learning. On Monday, March 30, 2020, teachers will begin the process of setting up virtual classrooms for students. We will return to instruction through a virtual format beginning Thursday, April 2, 2020. Teachers will begin to contact students on Tuesday and Wednesday about specific information pertaining to each course, prior to classes resuming on Thursday, April 2, 2020. It is imperative that every student know how to access their student email account and that they check their account daily.

In order to best prepare for virtual learning, we are asking that you are available to complete a survey with your teachers. Teachers are calling to ask you specific questions. We recognize that many of you have completed previous surveys; however, we need additional information to better assist our students.

We are asking to identify the needs of students based on **the overall technology in the home**. We recognize that this will require students to share devices, and we ask that you keep this in mind as you answer the survey.

Thank you for your help and flexibility through this process.

Mrs. Feacher
